September 2024

Dear Families.

This year each Kindergarten student is asked to pay \$30.00 towards school supplies. The school/teachers will be purchasing the supplies for the class. In this way, each teacher can purchase exactly the number, kind, and style of supplies they would like to use. With that money, each classroom teacher will buy supplies to divide for each student to have their own individual supplies.

Please fill out the bottom portion of this form and return to your child's classroom teacher to show that you have paid on-line or email the teacher your On-Line Payment Reference Number. On-line payment is made through School Cash Online and can be accessed through the Gilpin Website. If this fee is a hardship for your family, or if you have any questions, please contact your child's classroom teacher.

Sincerely,
Kindergarten Teachers
